

## TRANE UNIVERSITY™

# Learn Tracer® Ensemble operation from the experts!

TRACER ENSEMBLE OPERATION

### Discover the power of Tracer® Ensemble

A course specifically designed for building operators and administrators to become more efficient with their Tracer® Ensemble building automation system. Trane professional trainers will help you become familiar with these Tracer Ensemble software tasks:

- User management
- Status and overrides
- Working with schedules
- Alarm processing
- Data Logging
- Custom reporting
- Tenant Services
- Critical Control

### Factory-authorized training

Designed to build technical competency for Trane technical teams, our industry-leading, accredited training empowers customers to develop a high level of proficiency operating, maintaining and optimizing their Trane equipment.

Trane University continuing education for HVAC professionals is accredited by the International Association for Continuing Education (IACET) and American National Standards Institute (ANSI). 1.8 CEUs are awarded for successful completion of this course.
